Missouri LICA First Aid, CPR and AED Training

February 10, 2018 • 8:00am - 3:00pm

Clasby Center • 402 Court Street • Savannah, MO

This American Safety & Health Institute (ASHI) program helps participants recognize and respond appropriately to cardiac, breathing, and first aid emergencies. The course will teach the knowledge and skills needed to give immediate care to an injured or ill person and to decide whether advanced medical care is needed. Class size will be limited to 15 attendees.

The program conforms to the 2015 AHA Guidelines Update for CPR and ECC, and the 2015 AHA and ARC Guidelines Update for First Aid, and will be taught by David Miguel, owner of Underground Safety & Supply, LLC and certified ASHI instructor.

Registration Includes: Lunch; a two-year certification through ASHI, which will be mailed to the recipient after the course has been completed; and six (6) General CEUs through the Missouri Department of Health and Senior Services (DHSS) Onsite Wastewater Treatment Program for Basic Installers, Advanced Installers, Inspectors/Evaluators, Onsite Soil Evaluators, and Percolation Testers.

Registration Fees: **FREE** to LICA members and their employees, if they pre-register by **February 5, 2018**.

For non-LICA members, the fee is \$95 per person and must be received by **February 5, 2018**.

To Register: Call Debbie at the Missouri LICA office (573-634-3001) or mail a list of attendees to the MLICA office (address is listed above). Attendee names and payment, if required, must be received by **February 5, 2018**. Pre-registration is required; no walk-ins will be accepted.
